

A LOT MORE THAN JUST A HOLIDAY

 **Rocksport**

Agubhov®

A Classroom Called
Nature

Kids pick positive habits of waking up early, morning exercise, eating healthy food and conserving the nature

CAMP ANUBHAV IS AN EXPERIENTIAL LEARNING HOLIDAY FOR 9 TO 16 YEAR OLDS.

Camp Anubhav is an experiential learning holiday for 9 – 16 year olds. They perform adventure activities, talk to local people, visit nearby places, learn new skills and acquire fresh experiences. They discover how to be independent and self-reliant after 'roughing it up' in camp activities. By working together in a group and individually, they learn the importance of teamwork; acquire new strengths, and become responsible individuals by pushing themselves physically and mentally.

In this special holiday they also stretch their mental muscles, enjoy a self cooked meal, gulp an icy drink from the bubbling brook, share stories around warm fire, spend cool nights under bright stars and wake up to a glorious dawn.

A LOT MORE THAN JUST SIGHT SEEING

Time Spent in Exploring

More time spent in exploring, understanding and experiencing one place rather than rushing through many destinations & still not seeing enough.

Understanding the Socio-Economic Culture

Village study tour and interactions with native people, educate the kids about local livelihoods, lifestyle, culture, challenges and a different perception of life.

Discovering neighbourhood Ecosystem

During nature walks kids identify local plants, trees, birds, wildlife, etc and learn their importance to understand the Flora and Fauna of the place.

Knowing Unknown Traditions and Myths

Informal chats around camp fire and other free time during the day is when kids become aware of traditional beliefs, customs, and stories of the local community.

Along with Sight Seeing

Besides all the fun in exploring, understanding and discovering, kids also get a chance to visit locally popular places and shop souvenirs to take back home.

A LOT MORE SUPERVISED AND SAFE

Certified & Experienced Instructors

India's largest team of certified adventure instructors from diverse disciplines who are thoroughly trained to conduct outdoor training programs for kids.

Best in Class Adventure Equipment

UIAA / CE compliant equipment sourced from top brands in the world which is checked periodically and routinely replaced.

Adult to Child Ratio

With 1 caring adult supervising 8 children and an equally strong back-office to support, safety of the child is always assured.

Doctor and First Aid

Besides the daily visit of a doctor and an emergency standby vehicle, every instructor is equipped and trained to deal with preliminary first-aid.

Gender Related Safety

Separate tents and toilet areas for girls and a healthy mix of female instructors ensure their comfort and address their specific needs.

Safety at Camps

Our camps are designed and laid out in such a way that the kids are never away from vigilant eyes of guarded supervision

India's largest team of certified instructors with UIAA / CE compliant equipment from top brands in the world make camp anubhav safest.

Interactions with native people, educate the kids about local livelihoods, lifestyle, culture and a different perception of life.

A LOT MORE FRESH AIR TO BREATHE

kids are tuned to nature's cycle by following a healthy schedule from waking up to sleep with timely planned meals in between.

Taste
Away from Junk food, here for a change kids develop liking for healthy and nutritious meals which are carefully planned by nutritionists.

Detoxify
Kids get distressed by following an active lifestyle starting with morning exercises while breathing fresh air in the greenery surrounding our camps.

Tune In

At Camp Anubhav kids are tuned to nature's cycle by following a healthy schedule from waking up to sleep with timely planned meals in between.

Conserve

By staying amidst nature and experiencing it closely the kids develop a better sensitivity and learn to conserve environment, natural resources and eco-system.

A LOT MORE SKILLS TO LEARN

Nurturing New Skills

New skills like journal writing, backpacking, survival in wilderness, navigation using a compass, tent pitching, first aid, etc are learnt in the camp which are very useful in life.

Learning to Impress

Every program includes a surprise workshop like photography, video blogging, juggling, drumming, magic tricks, graffiti, etc where kids learn to captivate the audience.

Inspiring Leadership

Working together as teams, setting goals, taking challenges, motivating each other and stretching their limits brings out the leadership abilities of a kid.

Positive Transformations

The opportunities to interact over camp fires, helping each other during treks, cooking with others and moral disciplining by the instructors makes the kid more empathetic and social.

Working together as teams, setting goals, taking challenges, motivating each other brings out the leadership abilities of a child.

A LOT MORE CONFIDENCE TO GAIN

Excitement of accomplishing a task

A sense of achievement is experienced by kids every time they complete tasks like rock climbing, completing a long trek, river crossing, etc or make a useful article out of natural resources.

Pleasure of overcoming a fear

While rappelling down the rocks, zipping through the valleys, night treks, etc the kids get a chance to overcome different types of fears that they might have.

Joy of surviving an emergency

After surviving artificially created emergency situations like finding your way on being lost or cooking in wilderness without utensils the kids acquire the confidence of dealing with any situation in life.

Delight of Taking a Difficult Decision

Kids learn an invaluable lesson in decision making when during various activities they are confronted with difficult decisions or made to choose between different alternatives.

**A LOT MORE
THINGS TO LEARN
IN A DAY**

We at pathways, acknowledge the collaboration with Rocksport in successfully organising several adventure programs and camps over the past years. Being IAYP compatible some of their programs also help in obtaining necessary credits for overall fulfilment of IB-curricula.

Dr. Sarvesh Naidu

Director, Pathways World School
Gurgaon

The Sanskriti fraternity expresses its gratitude for making our adventure camp a great success. We appreciate the meticulous way in which the trip was planned, the safety and security aspects that were considered and how the students were kept engaged during the camp.

Abha Sahgal

Principal
Sanskriti School

"Weary the path that does not challenge doubt is an incentive to truth and patient enquiry leads the way." Rocksport undoubtedly paves the way for young students to take on challenges and ensure that their energies are channelized in an organized way. Very meticulously planned out activities makes it a pleasure to enroll our students for the well crafted programs.

RAGINI KAUL

Principal, Maxfort School, Rohini

I congratulate Rocksport to create a wonderful camps of international standards which appears to be carefully calibrated with life skills education under CCE Curriculum. In my opinion, every student who regularly participates in such programs will grow up to be a more competitive as well as a compassionate individual.

Sunita Tanwar

Principal
Delhi Public School Dwarka

Adventure trips give the children an opportunity to enhance their team work, leadership skills and time management. It gives them a hand on experience, overcome challenging tasks which no classroom teaching can give.

Vijay Laxmi Singh

Principal
GD salwan Public School
Rajinder Nagar, New Delhi

Rocksport is a victory of youth's dream and determination. The camps organised by them are just perfect. I have seen their growth from an idea to its culmination and i wish them a bright future.

Rachna Pandit

Principal
Delhi Public School, Maruti Kunj

The adventure camp organised by Rocksport are in extremely meticulous and professional manner. It provided incredible exposure to the students and enthused them to take up adventure and outdoor sports.

Meenakshi Zarabi

Principal
GEMS International School

The Goenkans have got a chance to move out of the four walls and experience a classroom in nature..... we always return with the new learnt skills and a cherishing experience to be remembered forever. The camps have made us an ardent supporter of the Rocksport team.

Renu Ajay

Headmistress
G D Goenka School, East Delhi

Rocksport has redefined adventure & entertainment to a whole new level..... From Life skills to cultural skills to expedition skills... the camp programs help the students to discover & nurture self sustaining skills.
