your WEEKEND run

The opportunities to learn, work and play amidst the natural resources in and around Camp Tikkling are immense. Contact with nature will stimulate interest and concern among students to understand the physical environment and use natural resources wisely. That bond, forgotten and trampled under the rush of modern-day living, gets a wake-up call here.

Also, it's a place to do pretty much nothing, other than read by the day and stargaze by night, or watch the sun's progress play upon the rocky landscape. Without television or computers, the hours seem to hold more time here.

So what are you waiting for?

Claim your own patch of wilderness. Find a clear space and pitch the camping tent. Scramble up the highest hill around. Check out the villages in the vicinity, with buffaloes, wells, ponds, and green fields. Splash in the village pond. Survive in the wild by learning how to draw water and build fire. Enjoy a tractor or a camel cart ride. Milk a cow. Spend some time at the Potters hut, moulding chunks of clay into creative shapes. And when tired, simply hang the boots in shade, sip a cool drink and watch the clouds sweep across the sky...

Great Food

Eating at Camp Tikling is an event. We understand that food is the most important part in the camping business. After a long session of hard work, nourishing good food is what everyone expects. We provide yummy vegetarian fare prepared from fresh vegetables grown on our little backyard kitchen at the camp. Milk products like butter and cottage cheese are especially prepared in-house from the fresh buffalo milk.
